**ATTN: Category Shooters**

All Ladies, Sub-Juniors, Juniors, Junior-Golds, Sub-Vets, Veterans, Senior-Vets, and Chair Shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. If a classification error is discovered BEFORE the close of an event, the error shall be corrected for that event and all subsequent events. If an error is discovered AFTER an event is closed, all corrections shall be made for subsequent events only. In either case, all previous events the shooter shot in will be in the “Open Category”. Either case may or may not affect the shooters eligibility for the HOA and HAA, depending on when the error was corrected. Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter can fall back to the declared category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter, whose score does not qualify for a trophy in his/her Category, may compete for place, class or yardage group trophies.
